The Vision

Several years ago Central Lutheran Church was approached by the Grand Canyon Synod and by partner congregations in the east valley of Phoenix about the possibility of beginning a new ministry in the city of Casa Grande. Though Casa Grande has always been significantly larger than Arizona City, no congregation of the Evangelical Lutheran Church had ever been established.

Emerging Partners

With the financial commitment of a partner congregation, plans were put in place to participate in the seminary internship program to provide the staffing necessary for a second worship site. An initial worship site was secured in Casa Grande and the first service was held in October of 2008.

Outreach and Growth

The new site had an encouraging start. Attendance increased from 50 to 150 and a second Sunday worship service was added with the arrival of winter resident brothers and sisters in Christ.

Equipping for the Future

As the congregation looks to the future, an appeal has been made to the membership to fund our multi-site ministry in the years to come. Plans are also in place for a second intern to arrive in the Fall of 2009.

As Paul wrote to the church in Ephesus, we are blessed with gifts *"to equip the saints for the work of mission, for building up the body of Christ."* We are always looking for new ways to work together. Contact us to learn more about how you or your congregation can partner with us in our mission.
